

WREXHAM BOWMEN INDOOR HANDICAPS AND WAA CLASSIFICATIONS

This table shows archers handicaps as calculated by the Archery GB procedure
 Individual handicaps are recalculated at the start of each indoor season, based on scores from the preceding season.
 "nn" is the handicap at the start of the season
 "(nn)" is the current handicap in the current season if sufficient qualifying rounds have been submitted
 "[nn]" is the handicap carried forward from the previous season if insufficient qualifying rounds were shot
 Archers have separate handicaps for each bow style.

WAA classification badge scheme are based on handicap and the six levels are WHITE (lowest), BLACK, BLUE, RED, GOLD and PURPLE (highest). See <http://www.welsharcheryassociation.com/admin/documents/WAA%20Indoor%20Classification%202018%20claim%20form.pdf> for details. RED, GOLD and PURPLE badges can only be awarded for scores shot in open competition. Classifications in brackets indicate the classification that would have been achieved if the scores been achieved in competition.
