

WREXHAM BOWMEN OUTDOOR HANDICAPS

This table shows archers handicaps as calculated by the Archery GB procedure
 Individual handicaps are recalculated at the start of each outdoor season, based on scores from the preceding season.
 "nn" is the handicap at the start of the season
 "(nn)" is the current handicap in the current season if sufficient qualifying rounds have been submitted
 "[nn]" is the handicap carried forward from the previous season if insufficient qualifying rounds were shot
 Archers have separate handicaps for each bow style.
